

## TAISHO KAMPO STOMACH MEDICINE <GRANULES>

- ◆ A slow stomach may develop uncomfortable symptoms such as bloating. However, excessive stomach activity and muscle tightness may cause stomach pain and abdominal pain.
- ◆ TAISHO KAMPO STOMACH MEDICINE uses a combination of Anchusan and Shakuyakukanzoto to adjust the activity of your gastrointestinal tract to bring it closer to its natural state.
- ◆ It is a gastrointestinal drug suitable for people who usually have a weak gastrointestinal tract, poor gastrointestinal tract due to irregular eating habits or summer fatigue, or people who have no appetite. This medicine improves gastrointestinal symptoms such as gastric bloating/discomfort and gastritis in patients who wish to enjoy a palatable diet and patients who wish to improve their fatigued stomach.
- ◆ It is also effective for stomach pain and abdominal pain.
- ◆ Particles with good scent and flavor.
- ◆ This medicine can be taken by anyone age 5 and older.
