For fatigue recovery and eye fatigue due to malnutrition

LIPOVITAN DX PLUS

Brand name: TAISHO VITAMIN t t

<Vitamin-containing health supplement>
Designated Quasi-drug

- ◆ In addition to taurine and vitamins B₁, B₂, and B₆, which constitute the base formulation of the LIPOVITAN series that is used by consumers to alleviate fatigue, LIPOVITAN DX PLUS also contains vitamin B₁₂, vitamin C, vitamin E, carnitine, glycine, and two types of herbal medicines. When taken once a day, this product is highly effective in treating fatigue experienced in daily life.
- ◆ Effective in improving and preventing eye fatigue caused by poor nutrition.
- ◆ Also effective in improving and preventing age-related shoulder, neck, lower back, and knee problems.
- ◆ This product is recommended for middle-aged and elderly people who become more prone to fatigue as they get older, and who feel discomfort in their shoulders, neck, or lower back, so that they can remain upbeat, energetic, and active on a daily basis.
