Contains kudzu flower-derived isoflavone (as a tectorigenin derivative)
Food with Function Claims Notification No.:C449 This product is permitted by the Commissioner of the Consumer Affairs Agency to indicate, on the responsibility of the company, that it can achieve the specified health benefits. However, unlike Food for Specified Health Uses, this product has not been individually reviewed by the Commissioner of the Consumer Affairs Agency.
Name of the product
Notified claim
This product contains kudzu flower-derived isoflavone (as a tectorigenin derivative). Kudzu flower-derived isoflavone (as a tectorigenin derivative) is reported to help lose body weight or fat (visceral fat and subcutaneous fat) and reduce waist circumference (waist size).
Adequate daily intake
The recommended amount is 3 tablets per day.
Method of intake
Take the usual daily amount with water or hot water without chewing.
Cautions on intake
Excessive consumption of this product does not reinforce health. Adhere to the recommended dose. Appropriate physical exercise and correction of diet are also necessary when taking this product. Do not ingest the desiccant. The materials used cause spots on the surface of tablets; this has no effect on the quality of this product.
Cautions on storage method
Close the zipper tightly and consume the product quickly after opening.
