

# PABRON KIDS COLD GRANULES

Class 2 OTC drug

Cold Remedies

◆PABRON KIDS COLD GRANULES is a cold medication for children that has steady effect on cough, nasal and throat symptoms, and fever. ■ The particles are designed for kids -i.e., flavored with strawberries that kids love for easy administration, and does not contain caffeine that disturbs sleep. ■ Acute cough, fever, and runny nose should be relieved at any cost. Treat with Pabron Kids Cold Particle at an early stage, keep the body warm, and have a good rest.

## Indication
