

PRESER S SUPPOSITORIES T

- ◆ PRESER S SUPPOSITORIES T contains effective ingredients to treat hemorrhoids such as hydrocortisone acetate that inhibits inflammation. These ingredients relieve hemorrhoidal symptoms such as pain, bleeding, swelling, and itching.
- ◆ The suppositories are now smaller in size, allowing easier ingestion.

Indication

To alleviate pain/bleeding/swelling/itching due to bleeding piles/blind piles

Dosage and administration

Insert the following dose into the anus.

Adults (15 years or over): 1 pieces per dose, 1 to 3 times daily

Under 15 years: Do not use

★ Take a bath or wash the affected site with warm water before use. The effect is even better if the drug is used after defecation in the morning and before bed time in the evening.

Precaution

- Comply with the prescribed dosage and administration instructions.
- If the drug is too soft, cool it for a while before use. If the surface of the suppository becomes too hard due to cold weather or storage in cold conditions, it should be warmed until smooth with your hands (fingers) before use.
- Use the drug only for the anus.

Ingredient

In 1 piece (1.00g)

Hydrocortisone acetate 5mg

Lidocaine 50mg

l-Menthol 9mg

Allantoin 10mg

Tocopherol acetate 50mg

Excipients

Carboxyvinyl polymer, anhydrous silicic acid, hard fat
